

www.freeretaillearning.com

In an effort to make learning **free and accessible** to everyone, the **Retail Learning Institute (RLI)** developed the **Free Retail Training** program. In this free self-service program, you can register and start taking courses in less than 5 minutes. Your account allows you to take courses, earn certificates and keep your training records.

Free Retail Training has invited other organizations to become contributing partners. Their specialized courses are available to all registered users.

Our mission

To advance leadership and vocational learning to support the growth of people, workplaces and communities.

Since 1988 the Institute has been dedicated to providing learning resources to food retailers worldwide. As an educational organization, it serves more than 10,000 businesses with training programs with 190+ industry-specific online courses in a top Learning Management System (LMS.) The Institute programs have become the learning platform of independents, regional chains, wholesalers, associations, and non-profits all over the world. Our courses are available in English Spanish, Portuguese and Mandarin.
