

Go.Learn The Online Training Mobile App

Download Go.Learn, a new app that gives you access to all the online courses from your mobile phone!

Instructions to download the Go.Learn mobile app:

1. Download the Go.Learn app from [Apple Store](#) or [Google Play](#)
2. Type in the following URL: <https://igaecs.docebosas.com/>
3. Launch Go.Learn and log in using your online training credentials.
*If you save your password within the app, you'll only need to complete these steps once.

Supported operating systems:

- iOS 9 or higher • Android 6.0 or higher.

Will my learning content transfer automatically to Go.Learn?

All online content is synced with the Learning Platform so you will not lose anything.

For details visit our mobile app page:
